## Bedside Alarm Clock with Wireless Charging

### Features & Benefits

- The i-box Dawn isn't just an alarm clock—it's a revolution in bedside convenience. Seamlessly blending a traditional alarm clock with cutting-edge wireless charging technology, this device offers a stylish and efficient solution for both your time-keeping and charging needs. Place your smartphone on the integrated wireless charging pad and wake up every morning to a fully charged device.
- Featuring dual alarms, which allows you to set two separate wake-up times, perfect for couples with different schedules or for weekdays and weekends.
- With Bluetooth functionality, Dawn can easily connect to your smartphone or other devices, letting you stream music or podcasts directly to the device's speakers.
- Dawn also offers a USB charging port, providing a versatile charging solution for your electronic devices.
