# Serene

Portable White Noise Machine with Nightlight

## Features & Benefits

- Introducing the i-box Serene, a multifaceted white noise machine designed to elevate your sleep quality. It has a library of 15 carefully curated sounds, ranging from white noise to binaural tracks and natural soundscapes. Additionally, the unit comes equipped with a touch controlled RGB nightlight, allowing you to set the mood or find your way in the dark effortlessly. The Serene is not just about sound; it's a complete sensory experience aimed at achieving a deeper, more restful sleep. Whether it's the calming white noise or the gentle glow of its RGB nightlight, the Serene is here to make your nights truly peaceful.
- Navigate through the device's features effortlessly with intuitive touch control.
- Personalise your environment with 7 color options, ideal for creating a soothing ambiance or as a gentle nightlight.
- With up to 10 hours of playtime, rely on its 2400mAh built-in battery to last through the night or for prolonged periods of relaxation.
- Plan your relaxation sessions with timer options of 15, 30, or 60 minutes, automatically turning off the device when the time is up.
