Aura

Portable Bluetooth Lantern Speaker

Features & Benefits

- Meet the i-box Aura, a stunning blend of a lantern and a Bluetooth speaker that can transform any space. Whether you're hosting an intimate dinner or a bustling garden party, the Aura offers a superior 10W sound and versatile RGB mood lighting to set the atmosphere just right.
- Add a touch of elegance to any space with its RGB mood lighting, offering six captivating LED colours and five brightness levels.
- Immerse yourself in a 360° audio experience with a powerful 10W speaker, enhanced with Bass Airtube technology for clear and rich sound.
- Move it, place it, control it. The Aura's portability and remote control make it a versatile choice for any setting, indoor or outdoor.
