# Calibro

40W TV Soundbar

## Features & Benefits

- Introducing the i-box Calibro, an elegantly designed soundbar that delivers exceptional audio quality and comes with customisable lighting options, offering a cinematic experience right in your living room. Whether you're watching an action-packed movie or a gripping TV series, Calibro elevates your audio-visual experience.
- Calibro features three distinct EQ settings and a 3D Sound option, offering you a fully immersive and customisable audio experience.
- With four 10W stereo speakers, Calibro delivers a robust 40W of audio output, enough to turn your living room into a home cinema.
- The integrated RGB lighting strip can be set to various colours and intensities, allowing you to create the perfect atmosphere for movie night or any other occasion.
- Easily connect Calibro to your TV or other devices via Bluetooth for a hassle-free, wire-free audio experience.
